

Selene Ocean Trawlers is proud to announce...

Selene California

Ocean Trawlers

With the addition of this new California dealer we are able to serve your cruising plans from Panama to Glacier Bay, Alaska with one of the best ocean trawlers available.

With the addition of Selene California comes two warranty centers located in southern California to help you with all of your commissioning and service needs.

Named after the goddess of the moon and created in a spirit of excellence, the Selene line of long range ocean trawlers combines old world craftsmanship with new world technology. Selene affords you the ability to explore wherever the moon and stars lead you.
