

Selene California

Ocean Trawler

See us at the
San Diego
Summer Show **July 24 - 27**

Selene California is a factory direct representative for the Selene Ocean Trawler in California. Our multinational team is on hand for you: from the initial planning of the vessel and advice on specification, to managing the construction process, commissioning and 24 hour technical support as well as customer care and after-sales service.

The new Selene California website provides extensive information regarding Selene Ocean Trawlers - Please visit SeleneCalifornia.com

Named after the goddess of the moon and created in a spirit of excellence, the Selene line of long range ocean trawlers combines old work craftsmanship with new world technology. Selene affords you the ability to explore wherever the moon and stars lead you.
